India's status as one of the world's fastest growing economies has been enhanced as other countries struggle with economic and geo-political challenges. Our interactions with Fund Managers across the world show renewed enthusiasm for investment as their focus shifts back to India. This is complemented by the growing domestic investor base and institutional investment flows.

In this context, it gives us immense pleasure to invite you to our **13th Annual Institutional Investor Conference – TRINITY INDIA 2023**, to share your perspective on the growth ahead.

Our conference, for several years, has been one of India's best and largest Corporate/Institutional Conclaves. This year too, we shall be hosting over 200 top Indian corporates, leading business CEOs, thought leaders and key global and domestic institutional investors for a three-day power-packed event.

We are particularly keen to showcase exciting growth companies and their exemplary leaders to investors through one-on-one and group meetings.

We look forward to hosting you and eagerly await your confirmation.
